PRODUCED BY THE NARS COSMETICS GROUP, INC.

SEPTEMBER 18-19, 2015

SOUTH POINT HOTEL, CASINO & SPA * LAS VEGAS, NV

WELCOME!

Welcome to “Vegas Style”, a Texas Longhorn extravaganza that will allow breeders to promote our resilient breed of cattle in an unchartered part of the United States. Hudson-Valentine Longhorn Enterprises, Ltd. has offered the leaders in the Longhorn Industry the opportunity to sell their most spectacular and exclusive animals.

This history-making sale creates a valuable platform for networking, sharing breed traits and building relationships with people from around the country.

A spectacular venue was selected for this monumental select sale. Please enjoy your stay and take advantage of all that the South Point Hotel, Casino, Spa and Event Center has to offer.

We hope everyone will leave with a renewed enthusiasm for the Longhorn breed.

Thank you for participating, either as a consignor, buyer, or both!

Sincerely,

Bill and Elizabeth Hudson Lorinda Valentine

SPONSORS

We express our sincere gratitude to our Sponsors. Their extraordinary contribution is indicative of their dynamic leadership that impacts the industry.

John and Ursula Allen of Harper, Texas, have been raising Texas Longhorns since 1992. During those 23 years, the couple has been quietly building up a magnificent set of cattle at their ranch in the beautiful Texas Hill Country. Today the Allens are recognized in the Longhorn industry as breeders of quality long-horned cattle.

Mike & Debbie Bowman of Benton, Kansas, have acquired and raised some of the top genetics in the Longhorn breed today to meet the demand for the total package animal. They have a large herd of breeding age cows and heifers with impressive measurements and outstanding herd sires that have produced some of the rising stars of today in the Longhorn breed.

Richard & Jeanne Filip of Fayetteville, Texas, began their Longhorn journey in 2000 with a single steer. That steer ignited a quest to produce that one of a kind cow or herd sire. They focus on the complete package when accessing their Texas Longhorns. Their vision is to raise Texas Longhorns with maximum horn length potential, color, outstanding conformation and large size to produce heavy calves at weaning.

Julie & Justin Hansen of Paskenta, California, began building their Longhorn program in 2003 with the purchase of their first female. The most important quality for their foundation females and bulls is predictability and consistency. They must be able to deliver a quality calf consistently.

Lynn Struthoff of San Antonio, Texas, is concentrating on breeding the highest quality registered Texas Longhorn cattle. Struthoff Ranch is currently using two JP Rio Grande sons: Hubbell's Rio 007 (82 1/4" TTT) and Shamrock Rio Jubilee (out of Shadow Jubilee).

Bill & Judy Meridith are the owners of Tallgrass Cattle Company in Wellington, Kansas, where they maintain a select herd of Longhorn cattle. They have acquired some of the industry's most elite cattle. The Meridith's also have various other successful business interests.

Chris Herron of Ontario, California has a love for Longhorns and horses as well. His Longhorn program includes outstanding examples of horn, color and conformation and the results show in the offerings he brings to the sales.

Warren & Cathy Dorathy of Sanger, California, have worked hard building up a program that sacrifices nothing in pursuit of more horn. Their animals, as shown by their offerings today offer conformation and color along with generous horn.

Bob & Pam Loomis of Overbrook, Oklahoma, strive to breed for horn, color and conformation. Their program has yielded outstanding results: they are the breeders and current owners of the longest horned cow, BL Rio Catchit, and bull, Cowboy Tuff Chex.

Ann Gravett of Warrenton, Virginia began raising Longhorns with her late husband, Ben, in 1988. Active from the beginning on a local and national level, G&G Longhorns has evolved into one of the leading programs in the breed.

Les, Lane and Lisa Craft of Houston, Texas were raising Longhorns for years before they decided to change direction in their program and breed for the best quality registered animals. Their program is now deep with quality and continues to grow.

Tony Magold & Nancy Ince of Rockin I Ranch in Bergheim, Texas are working hard to bring back the "True Texas Longhorn Heritage". We do not breed for a single purpose but instead a total package. These traits are what has made and kept the Texas Longhorn famous: good conformation, good milker and mama, good disposition and nice horn growth.

Larry & Denise Stewart - Honorary Sponsor

PRODUCED BY THE WEST COAST BREEDERS SELECT SALE, INC.

TERMS & CONDITIONS

BIDDING Each animal will be sold to the highest bidder with reserve.

BIDDING DISPUTES The auctioneer in charge will settle any disputes as to bids, and his decision on such matters shall be final.

TERMS Terms of the sale are cash or check to the clerk at the conclusion of the sale. Checks are to be made payable to West Coast Breeders Select Sale, Inc.

POSSESSION Immediately after the animal is sold, it will be the sole risk and responsibility of the buyer thereof, but possession cannot be obtained by him until payment is made.

CERTIFICATES A certificate of registration will be furnished and transferred to the purchaser on each lot in the sale, exclusive of calves at side, unregistered steers, and calves selling separately from the dam. Applications for registration will be provided for calves selling separately. Please provide name, address and the association of your choice when signing up for a buyers number or at check out.

HEALTH All animals are eligible for interstate shipment except as otherwise noted. The cattle have been tested for tuberculosis and Bangs disease within 30 days of sale date. A health certificate will be furnished.

BREEDING GUARANTEES All breeder guarantees are strictly between the individual consignor and the purchaser at the sale. All calves are given to the purchaser free and with no guarantees. The purchaser must look to the seller for fulfillment of all guarantees and representations made hereunder.

ANNOUNCEMENTS Announcements from the auction box take precedence over printed matter in this catalog. All cattle will be sold by lot-numbers, as announced by the auctioneer.

LIABILITY All persons who attend this sale do so at their own risk. West Coast Breeders Select Sale, Inc. nor their representatives, nor Hudson-Valentine Longhorn Enterprises nor their representatives, nor South Point Hotel, Spa & Casino, Las Vegas, NV, and anyone else connected with the sale assumes no liability, legal or otherwise, for any accident or loss of life that may occur.

CONTRACT The above terms and guarantees shall constitute a contract between the buyer and seller of each animal sold.

PURCHASER'S RISK Each animal becomes the risk of the purchaser as soon as it is sold, but will not be delivered until settlement is made.

Comments:

Here's the only public chance at a once in a lifetime embryo. There's only going to be one of these auctioned off. Cowboy Tuff Chex needs no introduction with his 95"+ TTT measurement and his 92"+ TTT dam. BL Monika comes from arguably one of the most consistent and productive female lines in the industry ever, including over 80" Lady Grate and over 80" Rio Monika. BL Monika measures over 86"+ TTT and has already produced an over 80" TTT daughter. Milking ability, production, horn set and horn growth is what you are getting. Comments:

WS Rising Star is a flashy Tejas Star daughter that will not disappoint you. She is a carbon copy of her 84 1/2" dam. She measured 77" TTT on 1/6/15 and will be closer to the 80" mark by sale time. She marks her calves very well with her tight conformation and bright colors. This is the type of cow we are all looking for. The icing on the cake for this girl is that she is A.I.'d to Cowboy Tuff Chex, the widest horned bull in Texas Longhorn history, owned by Bob and Pam Loomis. We are keeping her last calf with these same genetics and she's a beauty. She was practically born with horns and you can have another just like her with this package! Millennium Futurity eligible.

Breeding Information

Exposed to Top Caliber from 10/20/14 to 3/20/15.

Comments:

OCV'd. Crémé is a total package heifer that will add tremendous value to any program. This will no doubt be a big horned cow with perfect conformation. She has a very unique beige color to her that her dam carries as well. Her dam has over 70" TTT and over 90" of total horn. She goes back to some of the greatest sires in the breed. Visit www.allenranchlonghorns.com for more information on this tremendous cow. Measurements and palpations will be announced on sale day. Millennium Futurity eligible.

Breeding Information

Heifer calf at side born 5/30/15 by Operation Star Strike. Not exposed back.

Comments:

OCV'd. X-cited About Stars is just about as nice a heifer as you will find anywhere, and if you like base, as so many do, look no further. She measured 62.75" TTT, 78" TH with 16" Base at just 28 months and she has the femininity and frame to carry it off with grace! Heifer calf sired by a son of Bolt Action Star and a fantastic cow that Bow Carpenter now owns. This will be a pair any breeder serious about some of the most popular genetics will want to take home. She will be left open for your magic cross.
