Welcome 2015

THE HUDSON-VALENTINE TEXAS LONGHORN SALE

We are honored to welcome each of you to the 2015 Hudson - Valentine Sale, being held at the wonderful WKU's LD Brown Ag Expo Center in Bowling Green, Kentucky. We are proud to work with Tim Jones and the students of Western Kentucky University. Bowling Green is a town packed full of fun for the entire family. Enjoy yourselves while you are here.

The Hudson-Valentine goal and philosophy, has always been directed at creating a platform that will enhance the value and marketability of our Texas Longhorn Cattle. With dedication to that goal and philosophy, we asked our Consignors to present only their elite cattle. In your evaluation of this catalog, you will find that they have been very generous in their selections of high quality Longhorns. Our personal respect and thanks to these valued Consignors, for their tremendous selections, and their continued support of our goal to produce a sale of quality and profitability.

We have never been more excited about the prospects of the Longhorn Industry and the quality of our herds, as we are today. The outlook for the future of the Longhorn breed remains exceptional today with continued growth of new breeders and the steady spiral of quality Sales.

We Thank You for attending the Sale and for bringing your expertise and experiences to share with other Longhorn Breeders during the weekend. This sharing of knowledge will help to shape the future of the Longhorn Industry with positive results. Let's make this another record setting sale.

In Memory...

JOE VALENTINE

1943 - 2014

Joe Valentine
was one of the driving forces
behind the Hudson-Valentine Sales
of the past 9 years.

We miss Joe immensely,
 but his dedication to improving the value of the Longhorn Cattle
 and to the hope of Industry Unity, will live on for many years to come.
 He had a hope, developed a goal and created memories for a lifetime.

TAKE A LONG COLD LOOK AT THESE LOTS!

SUPER DRAFTER

Tibbs is a close friend of Super Drafter. He lives right on the 80" – One ton mark. He is ideal as a brindle confetti blend with Super Drafter.

TIBBS

BROKEN FRUIT

Drag Iron weighing in at 2260 lbs with a twisty spread of 84 5/8" promises that Broken Fruit will give birth to a bright brindle heifer calf right on time. That is what he said, but -- nothing is darker than the inside of a cow. Drag Iron semen \$100.

Broken Fruit is a normal sized cow by famous complete sire, Winchester. She is young, confident and has more on her plate than a Scandinavian smorgasbord. She is a personal friend of Drag Iron - don't ask for an explanation.
